

Sydney Striders turned 35 in July and we are celebrating!!!

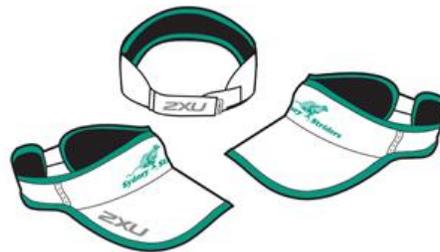

We want all our members to be part of the celebrations so here's what's happening:

A party and a new Striders singlet and visor!

Party

We will have a party at the end of the Blackmores Sydney Running Festival in the recovery area....why there? Well the event offers distances that suit all our club members from short to marathon distances. No cost for the party, just enter and run any of the Blackmore's events and we will welcome you at the end - food, birthday cake and more! If you're not running, you can still come down to the tent to celebrate.
